

ION™ 3D Aerial Sports

ION™ a division of YATZ CO, INC.

This is an ION™

What does an ION™ do?

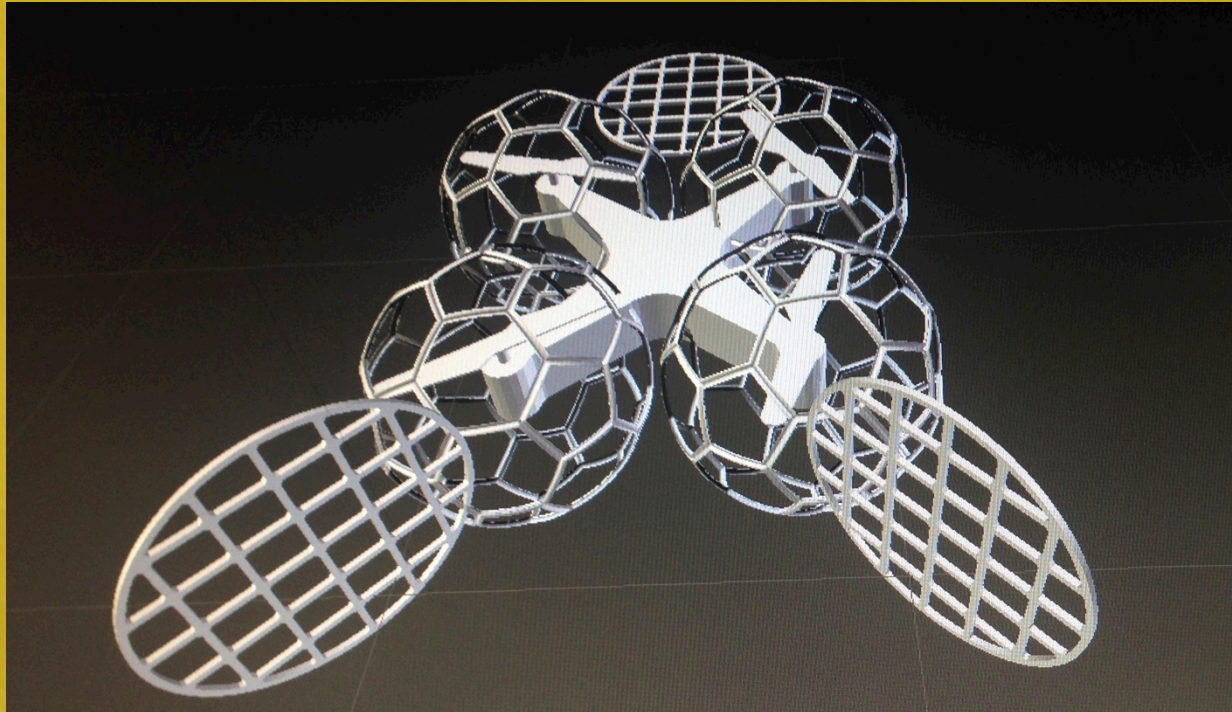

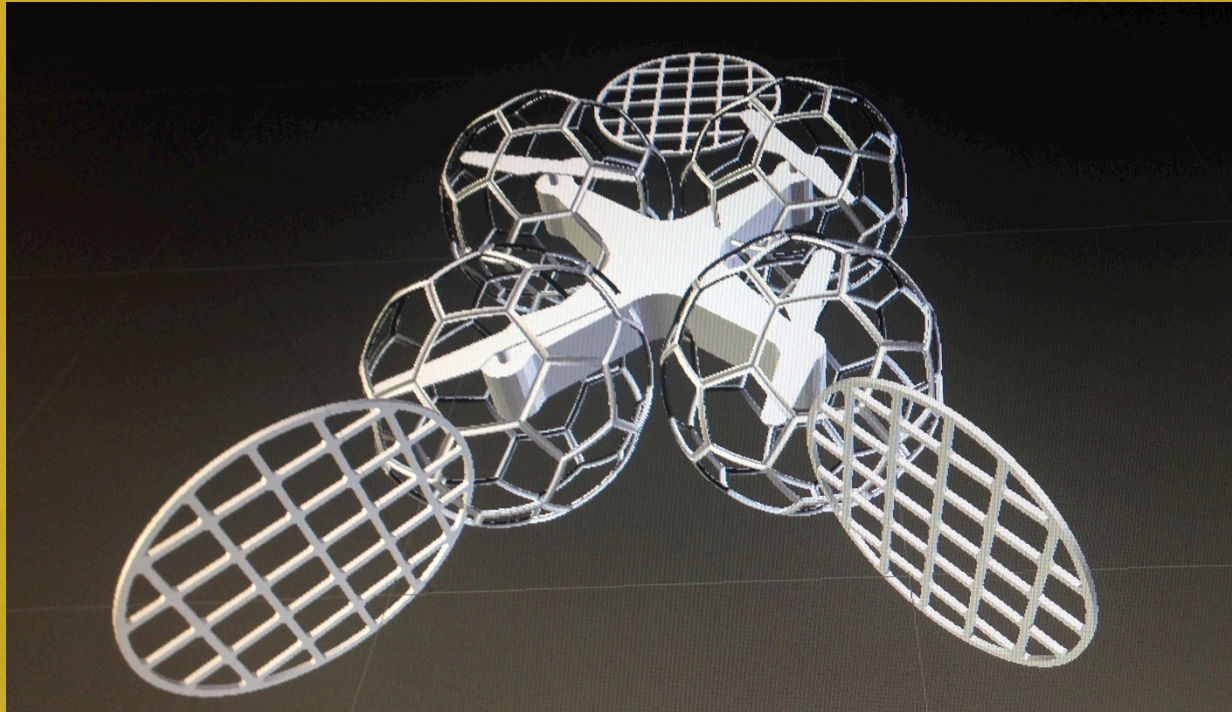

Turn on ION™ and it floats at your preset height

- Add clever animation or video of ION being turned on and floating

This is ATOM

What does ATOM do?

Turn on ATOM and control it.....

- o Add animation or video of the ATOM being turned on and controlled

..... to move, pass and shoot the ION

- o Add animation or video of the ATOM controlling, passing and shooting the ION

A team of ATOMs....

- ◊ Add animation or video of a team of ATOMs

Against another team of ATOMs....

- o Add animation or video of another team of ATOMs

And an ION™

- o Add animation or video of 2 teams of ATOMs and an ION on a field with goals at either end

And you have....

ULTIMATE 3D HOCKEY

- o Add animation or video of 2 teams of ATOMs and an ION on a field with goals at either end
PLAYING 3D HOCKEY
